We Welcome these Networks to the Service

Members are what we call the organisations that register their assets with Dial Before You Dig NSW/ACT.

The fees that Members pay allow us to provide the service free of charge to excavators.

Adding new networks also allows the service to stay current.

Membership is our lifeblood.

So we welcome the following organisations that went live for the first time in the 2018/19 financial year.

- Airport Motorway Limited
- Barangaroo Delivery Authority
- Greenland (Sydney) George Street Development Pty Ltd
- LBNCo Pty Ltd
- Lane Cove Tunnel-MRE Pty Limited
- Transport Canberra and City Services
- Transurban Cross City Tunnel
- Cobar Shire Council
- Gunnedah Shire Council
- Sapphire Wind Farm 1

If you have an asset that you like to register, visit our [website](#).

Working Together to Beat Cancer

As a non-profit community service, Dial Before You Dig NSW/ACT supports other community services.

In July we joined Minister for Skills and Tertiary Education Geoff Lee MP at Dancing with the Stars in Parramatta. Dial Before You Dig was a gold sponsor of this event.

Congratulations to the team at Cancer Council NSW who raised over \$95,000.

Later in the week we were able to support Jeans For Genes in support of the Children's Medical Research Institute.
