## Hit the Sand at Nobby's Beach

It was a hot day on Australia Day at Nobby's Beach in Newcastle. The Beach Rugby however was hotter.

Beach 5s is a five a side game played on sand. It is based on modified rules with no line-outs, scrums or conversions. Teams ranged from under 12 to Open Mens and Womens.

The crowds to see Lote Tuquiri leading the Dial Before You Dig Aussie Dingos caused a 45 minute traffic jam.

The Dingos fought out a seven-all draw in the final.

Congratulations to everyone who competed. We hope to see you next time.

## Back in the Game

Dial Before You Dig has been a regular exhibitor at trade shows and field days. The pandemic in 2020 resulted in many of our events being cancelled.

2021 is showing signs of promise as some events start to resume.

The IPWEA State conference in the Hunter Valley in March and Diesel, Dirt and Turf at Eastern Creek in April are two events that are likely to proceed this year.

We hope these events and more like them go ahead so we can meet you again to discuss safe digging practices and distribute our well known merchandise.

Lote Tuquiri takes the ball up for the Dial Before You Dig Aussie Dingos

Coming again soon? Diesel, Dirt and Turf in 2019
